- [2. 9 patch quilt variations](#)

The resulting strips will be a bit wider than the stripe stitched to the centre square.. This is one of the two finished blocks you can make with this tutorial Learn how to make this block in less than 2 minutes This is a very short video that shows you how to cut your blocks and arrange them afterwards.. Repeat with the other block This block belongs to this. Quick tip for colour choice: use complimentary colours For instance on the video I used green and red tones, but you can use other combinations such as purple and yellow, blue and orange.. These last combinations rarely fail Materials for 2 blocks • 10 x 5 inch charm squares • 8 x 5 inch squares cream coloured Old tutorial (for printing) Instructions Make a 2 x 9 patch block using 5 inch charm squares and a contrasting fabric for each.

Notice though that in the swap I rotated the central part of the block before I took this picture so the photo may be a bit confusing at first as you can see from the feedback I've got on this tutorial.. This tutorial makes two blocks Use high contrast fabrics for better results These 2 blocks are made with the video tutorial above.. Now repeat steps below to make another block (photo not displayed) Now swap the central square from both blocks and you will obtain something like the photo below.. Start by stitching the shorter sides together and then the longer sides Trim the longer sides after stitching like in the picture and iron flat. 0041d406d9 [Download Instagram On Mac Laptop](#)
