Can you say something nice to our early adopters? Let us know in the comments below and follow us for updates as this post gets posted!WASHINGTON (Reuters) - A U.S. federal judge on Wednesday dismissed a lawsuit by a veteran, gay military member who said he suffered discrimination and mistreatment after he was fired by a military facility for speaking out against homophobia during a visit there.. Here is what we've found out about the new "The Jungle Book" movie: The Jungle Book is based on the original 1998 book series by W.H. Auden and features a very new cast, a newly written screenplay, a completely different director, and new characters that make the story even better. This is a new era of Hollywood and the Jungle Book film will bring more than just the good stories from Auden but also the bad ones. Will you accept her offer to travel the land in search of her lost love, Prince Kowalski, and help her find out the truth about her life before him?..
